

EVRAZ HIGHVELD STEEL AND VANADIUM LIMITED: APPLICATION FOR POSTPONEMENT OF COMPLIANCE WITH THE MINIMUM ATMOSPHERIC EMISSION STANDARDS

INVITATION TO COMMENT AND ATTEND A PUBLIC MEETING

In terms of the National Environmental Management: Air Quality Act, 2004 (Act No 39 of 2004) (NEM:AQA) and its regulations; Evraz Highveld Steel and Vanadium Limited (EHSV) operations are required to comply with the Minimum Emission Standards (MES) identified in terms of section 21 of the NEM:AQA and stipulated in Government Notice No. 893 of 20 November 2013.

The MES standards require EHSV to comply with emission limits as specified for existing plants by 1 April 2015, and with limits as specified for new plants by 1 April 2020. EHSV intends submitting an application for postponement of compliance.

An application for postponement must be supported by:

An air pollution impact assessment compiled in accordance with the regulations prescribing the format of an Atmospheric Impact Report as contemplated in section 30 of the NEM:AQA;

A detailed justification and reasons for the application; and

A completed public participation process undertaken as specified in the EIA Regulations GN R.543 of 2 August 2010.

You are hereby invited to attend a public meeting where EHSV will present the reasons for the application and where you will have the opportunity to ask questions and provide comments.
