

CERTIFICATE

OF FACTORY PRODUCTION CONTROL

Certificate-No.: 0035-CPD-A300

In compliance with the Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product:

Hot Rolled Products of Structural Steels

for metal structures or in composite metal and concrete structures (see Annex)

placed on the market by the producer: **Evraz Highveld
Steel and Vanadium Limited**

and produced in the factory: **Old Pretoria Road,
Portion 29 of Farm Schoongezicht 308JS
District Emalahleni, 1035, South Africa**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and that the notified body No. 0035 TÜV Rheinland Industrie Service has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in the Annex ZA of the standard

EN 10025-1:2004

were applied.

This certificate was first issued on 2006-09-13 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
